

Consent Form – Survey

Declaration by the participant

- I have read the Participant Information Sheet, or someone has read it to me in a language that I understand. I have had an opportunity to ask questions, and I am satisfied with the answers I have received. I understand the purposes, study tasks and risks of the research described in the study and understand that I am free to withdraw at any time during the study, and withdrawal will not affect my relationship with the research team members.
- I understand I am agreeing to participate in the online survey as outlined in the Participant Information Sheet.
- I understand that data analysis will be conducted using research software tools (e.g. statistical software, qualitative analysis programs, and AI-assisted tools) for the purposes of analysing patterns and themes in de-identified data only, within the university's secure systems.
- I may exit the survey at any time by closing the survey 'window' on my device and there is no obligation to answer all questions or finish the survey. If I exit the survey before submitting my responses, my responses will not be included in the research.
- I understand that I can withdraw from the study at any time before submitting the survey. Once my responses are submitted, they cannot be withdrawn because they are collected anonymously and do not contain identifying information.
